COURSE: Communist Party Operations

SUBJECT: STRUCTURE AND FUNCTIONS OF PARTY ORGANS: Cadre Development & Membership

METHOD OF PRESENTATION: Lecture HOURS: One and half INSTRUCTOR: [REDACTED]

25X1A9a

OBJECTIVES OF INSTRUCTION:

To discuss Party membership and cadre development with emphasis on member motivation, identification, transfers; categories of membership, membership cards; and definitions of an internationalist and a professional revolutionist.

SUMMARY OF PRESENTATION:

The subject is treated in the same sequence as would be applicable to a CP member -- his motivation, his identification, his documentation, and his transfer. In addition the categories of membership as well as different types of members are discussed. Also emphasized is the role of cadres and their selection, promotion and allocation.
